

Help to Light Their Way...

Their Future is America's Future...

To become part of tomorrow's productive workforce, students need help and guidance. Assistance is particularly needed by today's financially underprivileged youth. The Partnership for Student Advancement, a 501(C) (3) nonprofit corporation, established to assist motivated high school students, particularly minorities, in making informed career choices and a smooth transition from school to the workplace. PSA provides aptitude testing by Johnson O'Connor Research Foundation, mentoring, business preparedness training, internships, financial aid, and career classes with Exploring, a subsidiary of the Boy Scouts of America.

... Help Make it Bright.
